|| Life Predictions ||

Character

You are a person of considerable action. You are never still. You are always making plans and the thing you can least tolerate is inactivity. You have much self will, and the spirit of independence is firmly planted in you. You resent the interference of others, perhaps more than you should, and freedom is a quality you prize very highly—freedom not only of action but also of thought. You think out things that are original in character. These may take widely diverse forms. You might invent some very ingenious contrivance or evolve a new method. Whatever it is, the world will be taken a step forward on your account. There is no doubt that you set great store on honesty, using the term in its widest sense. You require your friends to be honest in purpose, honest in speech, as well as in money affairs. Your greatest weakness lies in the way you treat others. You cannot tolerate inefficiency and you are apt to consider those who do not see eye to eye with you as being hopelessly beneath contempt. It would not be difficult for you to cultivate a more charitable and tolerant view towards those who are likely to earn your disapproval. At any rate, it is well worth trying.

Happiness And Fulfillment

You are a person who live in fantasy. Hypersensitive, many of you have inferiority complexes, feeling slighted by taking the most unrelated incident as personal insult. It is important that you do not indulge in drugs or alcohol, for this adds to your unclarity. You be honest with yourself and others, and attempt to be as realistic as possible, for you tend toward escapism. Music, colours and nature are very positive in smoothing your overly sensitive being.

Life Style

You are precisely the one, people are talking about when they say that behind every successful person there is a lover. Your marriage partner will motivate you to accomplish your objectives.

Career

You love competition and new ventures and thus are prone to change your career often. You should choose a career which allows you diversity in work and an opportunity for advancement, therefore discouraging you from floating from job to job.

Occupation

Almost any work that requires steady, intelligent plodding will give you satisfaction, especially in middle life or later. Your judgement is sound and you are thorough in all you do. You want to be left in peace and quiet to get on with your duties. You resent being hurried. Your methodical nature fits you or being placed in authority over others and, as you are placid and not fiery-tempered, you will secure the loyalty of those you have to direct. You possess a head for finance, which suggest that you would do well in the banking word, in the office of a finance company or a stock-broker. But most office work should suit to your temperament.

Health

You put a high price on your comforts. As an outcome of this trait, you are something of a gourmet and enjoy your food. In fact, you do not eat to live but, rather, live to eat. It is not surprising, then, to find that your digestive apparatus will be the portion of your body which will give you the most concern. Do not neglect such ailments as indigestion and, when they come, do not try to cure them by means of drugs. Take moderate exercise such as walking and mild physical jerks. Breathe plenty of fresh air, put yourself on a rational diet and eat fruit. However, if it prolongs you must visit a doctor. After fifty years of age, beware of inertia. You will be apt to give up this and that, and grow into an individual who loses his hold on life. Keep up your interest in things, develop your hobbies and remember that nobody can grow old if they mix with younger people than themselves.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Second house from Lagna, while in the Moon chart Mangal is placed in Eighth house.

Hence Mangal Dosha is not present in Lagna Chart while present in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Remedies (needs to be performed before marriage)

Remedies (can be performed after marriage)

- 1.Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
- 2.Worship Lord Hanuman by reciting Hanuman Chalisa daily.
- 3.Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

- 1.Feed birds with something sweet.
- 2.Keep ivory (Haathi Daant) at home.
- 3.Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

Shani Sade Sati: Rising Phase

This is starting period of Shani's Sade Sati. In this period Saturn will be transiting in 12th house from the Moon. It generally indicates financial loss, problems by hidden enemies, aimless travel, disputes, and poverty. During this period, you may face problems created by your hidden enemies. Relationship with your colleagues will not be good enough and they will create problems in your work environment. You may also face challenges on your domestic front. This may create pressure and tension. You need to exercise control over your spending otherwise it will lead to bigger financial problems. Long distance travels may not be fruitful during this period. Saturn's nature is of delay and dejection, but generally you will get results eventually, so be patient and wait for your turn. Take this period as a learning period, put your hard work and things will fall in place. You are advised not to take high risks in business matters in this period.

Shani Sade Sati: Peak Phase

This is the peak of Shani's Sade Sati. Generally this phase of Saturn is the most difficult one. Saturn transiting over natal Moon indicates health problems, character assassination, problems in relationship, mental afflictions, and sorrows. You will find it difficult to achieve success in this period. You may not get results of your hard work and feel restricted. Your constitution and immune system will not be strong. As the first house is the house of health, you should start exercising and taking care of your health, otherwise you can be caught by chronic diseases. You may suffer from depression, unknown fear or phobia. You will lack clarity in thinking, action, and decision making. You will be spiritually inclined and will be attracted by intricacies of nature. Acceptance and doing basics right will sail you out of this period.

Shani Sade Sati: Setting Phase

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. Saturn Consideration

Your Saturn is in Leo sign which is a Enemy sign for Saturn. Saturn is lord of 7th, 8th, house and situated in 2nd house. Saturn aspects 4th, 8th, 11th house and aspected by Ketu.

If Saturn occupies Leo, one will be interested in writing and reading, be skillful, be disdained, devoid of virtues and wife, will live by servitude, be devoid of his own men and happiness, be interested in doing base acts, ill-tempered, be mad with (undue) desires, will carry loads, will toil hard and will have a wrinkled body.

If Saturn occupies the 2nd, the native will have an ugly face, will enjoy worldly prosperity, be devoid of his own men, will render justice, will later on (in the course of his life) go to other countries and will earn money and conveyances.

Should Saturn be in the 2nd house at birth, the face of the native will be unattractive. He will not take the righteous path and will be devoid of wealth but in the latter part of his life he will quit his native place and will then possess wealth, conveyance and all enjoyments of life.

Rahu Consideration

Your Rahu is in Leo sign which is a - sign for Rahu. Rahu is lord of house and situated in 2nd house. Rahu aspects 6th, 8th, 10th house and aspected by Ketu.

The person who has Rahu in the 2nd house at birth, will be insincere in speech and his words will carry double meaning. He will suffer from disease of the mouth or the face. He will be tender hearted and will receive wealth through the beneficence of the king. He will be of an angry disposition and happy.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
